## Alabama Public Service Commission Telecommunications Division Suite 850, RSA Union 100 North Union Street, Montgomery, AL 36104

## DATE: Inmate Phone Service Access Line & Instrument Report Docket No. 15957

All ISP providers shall submit to the Commission upon request but routinely on an annual basis by inmate facility location, a written report of all access line and the number of telephone instruments served by each access line used to provide IPS. The reporting period is as of the end of May. The report must be received at the Commission prior to the end of the succeeding month that follows the reporting period (i.e., end of June).
